

## UniBevel™ Knives: The New Standard in Microphaco *Precision and Performance*

UniqueEdge® has always offered precision you can see,  
quality you can feel, and performance you can trust.

UniqueEdge® now offers UniBevel™ Slit Knives, providing jewel  
blade performance in a disposable knife. Originally designed for  
microincision cataract surgery (MICS) procedures, UniBevel™  
Slit Knives are the new standard for today's most demanding  
procedures.

- Effortless penetration
- Clean incisions
- Absolute control

# The knife for your most demanding procedures

## UNIQUE BLADE DESIGN

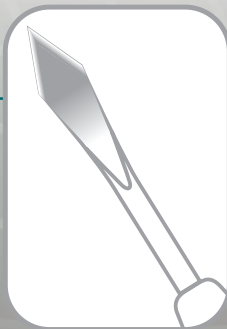

- Seamless convex bevel
- Ultra thin
- Matte finish

## UNIBEVEL™ PHACO SLIT KNIVES
